"Our Class Song"

To the tune of "Until The End"

I.

These four short years have passed away,
Each with its cares and joy,
Bringing something new each day,
To every girl and boy.
Though future days may divide us,
These memories will guide us,
Whatever we do, to you we'll be true,
Dear old P. H. S.

II.

Dear P. H. S. you've done your best
To make this dream come true,
You were sincere, year after year,
Now we must say adieu,
We will be grateful forever,
Nothing this band will sever,
We owe you a debt and will not forget,
Dear old P. H. S.
